

General Manager Operations

As part of the succession of the very successful Portuguese company **Aquinos Bedding Netherlands B.V.**, we have been exclusively commissioned to fill this position at the mattress production site in **Kesteren/NL** with a motivated personality with proven management qualities.

This is where you take the helm as an experienced GM Operations. "Efficient management and continuous optimization to make production even more efficient in the future while complying with all safety aspects."

Your advantages and opportunities:

- ✓ Efficient management of the production site
- ✓ Oversight of various key functions such as production planning, supply chain, production, quality, EHS (environment, health, safety)
- ✓ Continuous improvement of profitability

Customer satisfaction is a high priority for you? Then this is the right position for you.

What sets the team apart:

- We are a committed, motivated, customer-focused team of around 140 employees
- Our strong and well-known brand **BEKA since 1935** makes us proud
- We are anchored in our home market of the Netherlands and Belgium and operate internationally

What is important to the team:

- We need a customer-oriented and business-minded General Manager as a leader who shares our great enthusiasm for mattresses and bedding

STRATEGIE

Your profile - the required expertise

We look forward to talking to an entrepreneurial and operationally strong personality

- ✓ Bachelor's degree in engineering or business administration
- ✓ Extensive experience in production management with deep knowledge of supply chain, quality, EHS and continuous improvement (lean management)
- ✓ Experience in the manufacturing of industrially produced consumer goods
- ✓ Strong leadership skills and the ability to manage and motivate teams
- ✓ Excellent problem solving and organizational skills
- ✓ Familiarity with safety regulations and compliance with regulations involving hazardous substances (knowledge of Seveso regulations)
- ✓ Experience in leading change processes and driving continuous improvement
- ✓ Business fluent in English

Your position - what you can achieve

- Successful implementation of the corporate vision in the Aquinos Group
- Opportunity to help shape the future of the company during the restructuring process
- International exchange with General Manager Operations of other production sites
- In-depth insight into the professional manufacture of mattresses and beds

The company - your career opportunity

With 3,500 employees, the Portuguese Aquinos Group is a major producer of mattresses and sofas. The 9 production sites in Europe have a capacity of around 1.2 million mattresses per year, making Aquinos Bedding one of the most important mattress manufacturers. With 9 well-known brands, the company covers all price segments of the market - a perfect starting point for success.
